Examiner's Detailed Office Action

This action is in response to an amendment filed on November 29, 2004.

Claims 1-30 have been examined.

Drawings

New corrected drawings, in compliance with 37 CFR 1.121(d), are required in this application because the drawings submitted on January 22, 2002 are informal. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Response to Arguments

Applicant's arguments (see amendment filed November 29, 2004), with respect to claims 1-30 have been fully considered and are persuasive. The rejection of claims 1-30 has hereby been withdrawn.

Allowable Subject Matter

Claims 1-30 are allowable over the prior art of record.
